

DEAD AT BIRTH FANZINE

"A HARDCORE FANZINE"

MUST BE NICE

D.A.B.F. : Yo since you're a totally new band I wanna hit the basics ; who are you? What do you do? Where's the band from?

H: I'm heath I play drums and I'm from holden beach, NC. All of us are spread out as shit but our main location is wilmington, NC I would say.
J: Yo I'm Jared I play bass but I'm in Florida and probably pull the least amount of weight in the band

L: I'm lenny. I do vocals.

C: I'm Chris I play guitar and I just moved from Wilmington to Raleigh NC right smack in the middle of this pandemic shit

L: Wow what an answer I gave
H: Where you from Len!

H: MYRTLE BEACH

D.A.B.F. : Myrtle beach legend Lenny

H: Oh shit have you heard of him?!

D.A.B.F. : No....It's funny tho

L: Just say Wilmington. I don't like people knowing where I'm at Haha

D.A.B.F. : What is Must Be Nice all about? What's the idea behind the band?

L: Heath...
D.A.B.F. : Bud light and nyhc
L: Budweiser and vodka will do just fine, blacking out saying a few things I regret the next day.
H: Shit there's really no crazy back story I would say. Lenny used to sing in this band riptide a while back and all of us have all been in several bands together over the years. We thought about restarting our old band we used to have but started this instead and that's how must be nice was formed essentially. Me n Chris really just started jamming one day and we were like okay Lenny can sing in this band.
L: None of us had anything going on and were like let's do something again.
J: It's about being sick of stupid mother fuckers that actually smile and have fun and shit even though this world is fucking stupid
H: Shit yea I agree
L: It's a good way for me to tell everyone I want to kill them

D.A.B.F. : What's on the Must Be Nice playlist?

L: What you listenin to today boys?
J: RUSH all day RIP Neil. Sade.
H: Shit I been listening to the new three knee deep like hell lately. That and the boss. Shout out streets of hate. And yeah a lot of Sade. Currently listening to skybox by gunna .
C: There's a playlist on Spotify of all the songs from the K Rose station from GTA San Andreas. I've been bumping that nonstop recently.
J: Yes that boss shit is sick and obviously 3kd
L: Mobb deep, three knee deep, crown of thornz, dean martin.
H: Crazy mix
L: My life is a mess
C: New Seed of Pain kills
H: Please listen to grandma by Will daube
J: Legendary track that always makes the cut
L: Or mark Macs version of granmaw
H: And new lil uzi
H: Both
H: Also yea new seed is next level shout out pyc
Lennon put out the first official Invoke release

D.A.B.F. : What's the perfect show vibe like for your personally or what do you want MUST BE NICE gigs to be like?

L: Fun...Wild shit going on...The crazier the better.
J: Short and smooth. 4-5 bands tops in a small room. Alcohol available in or around the venue. I just like chillin with my friends and havin a couple beers enjoying the music. Please god be done before 10 o clock.
L: I want it must be nice shows to be a wild party mixed with a kickboxing match.
H: Not too much..
L: What do you mean too much. That describes my life perfectly.
H: Also a show that most of my friends are at is always nice. NC is so spread out it's hard to get everyone in one place

D.A.B.F. : important question ; how many of you would trust Heath to hold their drink tickets?

L: Eh.
H: What the fuck man
J: I wouldn't trust Heath to hold his breath underwater
H: Well good because the correct answer is I would've used them all before you would've asked for them
L: He wears slides everywhere he's not getting to far
H:k

D.A.B.F. : He's a man of leisure

L: I think I might be a bigger problem with the drink tickets honestly
C: I'm sure there's dozens of drink tickets that went straight to Heath's hands and turned into White Claws real quick but we usually car bar it so it's all good

D.A.B.F. : so what do you guys hope to accomplish with this band? Could be anything..

L: Release some music play some shows. That's it for me.
I have no aspirations to be some over the top bullshit
H: I hope Lenny calms down
L: What the fuck?
H: In a good way man
J: Play a bunch of shows, have a few laughs, tell a few lies.
H: But yea what jared said. Just play some shows. Nothing crazy. See what happens.
C: Yep write some shit that's fun to play and do as much as we can.
J: At the end of the day I just wanna hang with my friends right boys
H: Right bro
C: Yessir
L: Fuck yeah
H: Brewskis with the broskis
J: Many days I sit and really imagine if I never met the broskis
C: Burgers for the boys
H: Imagine...
